DELIVERED BY CANADA POST TO 305,000 HOMES, BUSINESSES, AND APARTMENTS, WITH A READERSHIP OF OVER ONE MILLION.

SLAP-DOWN 2016!

THE ULTIMATE BATTLE OF THE SEXES

PATRIOTS OF THE PATRIARCHY vs MENSTRUATION NATION

The **Championship Wrestling Association** proudly presents 3 solid hours of the most sexist wrestling entertainment in Canadian history, as Master of Ceremonies **DIMITRI THE LOVER** provides non-stop stand-up comedy. The gala culminates in his wrestling debut!

SeXXXy Eddy, Dimitri The Lover, Black Dynamite & Paul "The Messiah" Rosenberg, defend the Patriarchy's honour against Menstruation Nation

SeXXXy Eddy and **Dimitri The Lover** will tag team wrestle any FemiMarxists who dare to challenge their natural male authority. If you are she-man enough to take down the rapey duo, submit your photo, stats and contact info to:

SlapDown2016@gmail.com

Two lucky ladies will have the opportunity to humiliate these sexist pigs before the rowdiest blue collar crowd of Montrealers ever assembled. Any woman that defeats them in the ring will receive an **"I Menstruated on the Patriarchy"** t-shirt, a moustache comb and a lifetime supply of kitty litter.

EVENT DETAILS:

2pm, Sunday June 26th, Dawson Community Centre, 666 Woodland Ave. Montreal, Quebec (\$15 VIP / \$10 Regular)

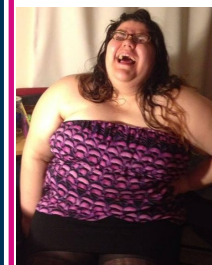

DIMITRI THE LOVER has pinned down more women against their will than any man or diesel dyke in Canadian history. He considers rape a "social construct" and refers to sexual assault charges as "speeding tickets on the seduction highway". He is Canada's top seduction guru and "The Prophet" of **The Church of Dimitri of Latter Day Sluts**. He founded **Toronto Real Men**, the world's only group dedicated to eradicating FemiMarxists. His inspirations include Jesus Christ, Adolf Hitler, Rob Ford, Vladimir Putin, Donald Trump and Fabio. His signature line is "If I wasn't so modest, I'd join you in a celebration of me".

SEXXXY EDDY has the highest sex drive of any man in Montreal. He also has the lowest dating standards, cruising nursing homes, VD clinics, women's shelters and AA meetings for desperate, lonely, vulnerable women. He interpreted the film "American Psycho" as a love story about a hopeless romantic named Patrick Bateman. Every morning he re-enacts the Silence of the Lambs scene where Buffalo Bob dances in front of a mirror and says "I'd f**k me". He is so narcissistic that he masturbates to videos of himself masturbating. His signature wrestling move is "The Trudeau Elbow". His finishing move is "The Ghomeshi".

PAUL "THE MESSIAH" ROSENBERG is a Talmudic Jewish predator and compulsive liar who would have become a predatory banker, had he and his pornographer uncle not been convicted of money laundering. Now he uses his predatory genes to sweet-talk Gentile women out of their life savings. When asked by a Judge if he had any remorse for draining the bank account of a widow with a terminal illness, he replied "A goy fool and her money were lucky to have met in the first place." He brags that he had 66 "domestic assault" charges dropped. His signature wrestling move is "The Circumslam". His finishing move is "The Final Solution".

BLACK DYNAMITE is a silver-tongued half-breed who wrestled for the WWE and has won over 50 championship titles. He is also a bigamist and sexual predator who had more bad dates than Jian Ghomeshi and Bill Cosby combined. An online dating company went bankrupt paying out settlements to women he roughed up. He once took a job as a line cook at a women's centre, just so he could ejaculate into the food. Jews have nicknamed him "The Schwartz Shtupper" as his fetish is seducing Jewish girls and sending pics of them in bed with him to their horrified parents. His signature wrestling move is "The Hump & Dump". His finishing move is "The Roofie Sleeper Hold".

Eddy and Dimitri would like to issue a **DIRECT CHALLENGE** the following FemiMarxists:

TRIGGLYPUFF rudely interrupts men who are speaking. She is often seen with less rotund women, not because they enjoy her company, but they are caught in her massive gravitational field. She could crush a grown man with one leap from the ropes to the wrestling mat ... that is, if she could climb the ropes without collapsing them.

HEATHER REILLY AND STEPH GUTHRIE terrorize men who disagree with their opinions. They convinced a horny cop to file "criminal harassment" charges against meek Twitter geek Gregory Alan Elliott. He was acquitted but his life was ruined. Let us see if these **COWARDLY ONLINE TERRORISTS** can withstand the penile onslaught of Canada's **TOP TWO ALPHA MALES!**

MESSAGE FROM OUR EDITOR-IN-CHIEF

Dear Loyal Readers:

So much has happened since our Spring 2016 issue! I received over 300 letters, so to not play favourites, I had my 15 month old son Nicholas randomly choose those for publication. I helped police arrest a group of armed Somalis (see my "**Black LIES Matter**" piece). A traitor launched a lawsuit against Canada Post and the federal Government for distributing our paper (See **Shep The Talking Dog's** piece). Jewish, Muslim, feminist, homosexual, and trade union groups joined forces in a futile bid to shut us down (more proof that **Your Ward News** brings diverse people together!)

To date I still have received no apology from the Muslim community for a Muslim pizza shop owner's threat to bomb my home; or from the Jewish community for a Jewish letter carrier refusing to deliver this paper, violating the free speech rights of over one million Torontonians who rely on it for **REAL** news.

I was the victim of "yellow journalism" by City TV hottie **Cynthia Mulligan**. She aired a misleading interview of me which contained a half minute of excerpts from a half hour chat, cherry-picking footage where I deny the Holohoax and praise Hitler. The plan backfired on her ZioMarxist handlers: her video went viral, our web site hits surged, and we quadrupled our subscription base! **DailyStormer.com** (world's #1 alt-right site) interviewed me. To celebrate, I founded a "**Hitler Fan Club**" with 4 men who saw me on TV--Chinese, Indonesian, Jamaican and Ethiopian (details in our September 2016 issue).

Cynthia also dared to question my medical credentials and "Doctor" title, so we now feature a "**Your Health**" column by yours truly. My wife Colette came up with the idea of a column on Jewish history titled "**Did Jew Know?**" We did not have room this month, so watch for it in September.

I have been scoping central Toronto for **3,000 square feet of loft-style office space** to set up a studio for live online streaming of alt-right content, a 100 seat theatre for alt-right groups to hold lectures and events, and offices for anti-Marxist entities. I will pay **MAX \$12/sf** gross annually, plus HST & utilities. Due to Justin Trudeau imploding Canada's economy over the last 6 months, I have seen the price for suitable space gradually drop from \$24 to \$17/sf, so we are almost there!

Finally, I would like to thank new reader **Tyler Soapmaker** for heading a committee to make our "**Anti-Marxist Book Burning**" a reality. The city is stonewalling granting us a special event permit, but Tyler has an ingenious way to get around it.

STAY TUNED!

BIKES, BOOZE AND BEAN CURDS TURN REAL MEN INTO EUNUCHS!

The groups trying to shut down Your Ward News are primarily composed of a delusional cacophony of bike lane activists, self-righteous vegans and pretentious wine/beer connoisseurs. They have no sense of humour because they are not getting laid, and they are ineffective adversaries because they have no masculine energy. Let me explain why.

**I WANT YOU
TO BE A REAL MAN!**

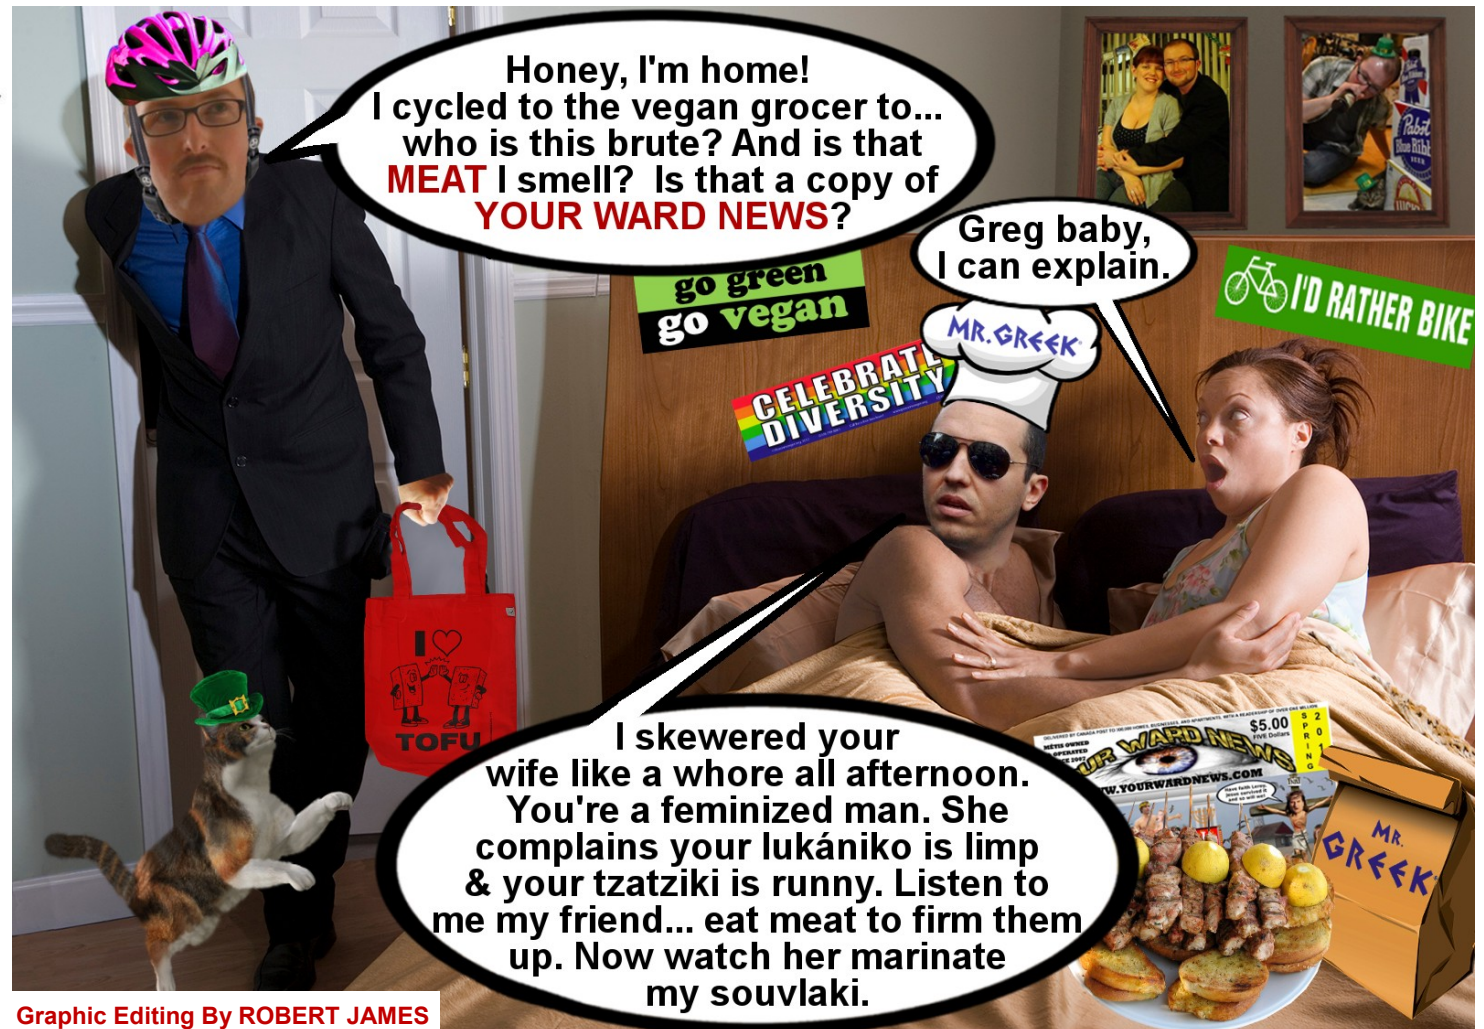

By Dimitri The Lover
Canada's top Seduction
Guru, masculinity activist,
and Steph Guthrie's
worst nightmare

Everyone knows that **cyclists, vegans and wine/beer aficionados** are annoying, self-righteous assholes. But what most people do not know is that the infidelity rate of their wives and girlfriends is very high. What my vast seduction data shows (I stopped counting at my 1000th seduction) is that the above women are the easiest to seduce because they tend to be very hard up for sex. Why? Their men suffer from intermittent or permanent **ERECTILE DYSFUNCTION!**

I refer to cycling, the vegan diet and alcohol consumption as the "**Holy Trinity of Flaccidity**". I partake in none of the above pursuits, explaining why I can out-thrust men half my age, maintain an intimidating erection and ejaculate at Olympic distances. Let us examine each of the three parts of this trinity.

CYCLING:

When you sit on a chair, your weight is distributed across both buttocks, taking pressure off the perineum (area from the anus to the sex organs that contains arteries and nerves supplying the penis in men and the clitoris and labia in women). Sitting on a bicycle seat puts pressure on the perineum, compressing those crucial nerves and arteries, leading to loss of sensation and erectile dysfunction.

Graphic Editing By **ROBERT JAMES**

Nerve damage explains the penile numbness that some male cyclists experience. Combined with pressure on the pudendal artery, it can produce temporary or prolonged erectile dysfunction. A narrow bike seat reduces penile blood flow by 66%; a broad seat by 25%. The same processes create sexual problems in women.

Norwegian researchers evaluated 160 men after a bike tour. One in five of the men had numbness of the penis. 13% (21 men) developed erectile dysfunction that lasted more than a week ... after just **ONE** bike tour! Researchers from the **National Institute for Occupational Safety and Health (NIOSH)** evaluated 17 bicycling police patrol unit officers in Cincinnati, Ohio. They averaged 5½ hours per workday in the saddle. Almost all of them experienced intermittent genital numbness. Those who rode the most or exerted the most pressure on their bike seats were at the highest risk for erectile dysfunction.

NIOSH also studied bike riding and sexual function in women who rode for an average of two hours several days a week. These women experienced decreased genital sensation compared to women who ran several days a week, explaining why bike-riding FemiMarxists with "fish-faces" and horn-rimmed glasses never seem to put out.

To avoid feminization, I recommend a strict diet composed solely of eggs, cheese, butter, dark chocolate, and all 5 meat groups (steak, rib, burger, wing, sausage/souvlaki).

VEGANISM:

Hitler was a vegetarian, but the man could never have achieved such greatness unless he ate eggs. "Veganism" is a bizarre fad which will die out over the next 2 decades, but in the meantime is feminizing men worldwide. Veganism and Orientalization of the western diet has led to a massive increase in the consumption of soy-based products, such as those containing soy sauce or tofu. Soy has been solidly linked to an increase in **ESTROGEN** levels in men, explaining the low sex drives and stunted penile growth of those living in countries where a lot of soy is consumed. It also explains the poor sexual performance and energy levels of vegan men.

CHOLESTEROL in eggs is one of the building blocks of masculinity. It is converted to **TESTOSTERONE** in the Leydig cells of men's testicles. Vegans do not eat eggs! A cholesterol deficiency will feminize a man. I consume 5-6 eggs per day. It is a **MEDICAL SCAM** that cholesterol is bad for you.

ALCOHOL:

All men's bodies produce **NATURAL ESTROGEN** in the adipose tissue. Luckily, a healthy, chemical-free male's liver rapidly clears the estrogen out of his body. With exposure to toxic chemicals in plastics, estrogen levels in modern men are through the roof. **ETHANOL** from alcoholic drinks competes with **ESTROGEN** for clearance from the body through the liver's Cytochrome P450 enzymatic chain. Therefore, if you drink alcohol, estrogen stays in your system longer than it normally should and **FEMINIZES** you, explaining why alcoholics have gynecomastia (breast formation), low sex drive, and hair loss from their shins. I **NEVER** drink alcohol!

CONCLUSION:

Luckily, most of the effects of partaking in activities related to the "**Holy Trinity of Flaccidity**" are reversible if the deleterious behaviour is ceased early. However, if a man continues to abuse his body for long enough, he will eventually wind up a Marxist SJW eunuch ... a pair of implants shy of being a she-male (on the plus side, he will not be able to procreate and piss into an already-cloudy gene pool).

LET SLEEPING DOGS LIE, KINSELLA!

If I had a dollar for every time I was smacked with a rolled up newspaper for barking my mind, I'd hire a couple of rabid pit bulls to pay a visit to the two-legged turds trying to shut down Your Ward News. I'd do it myself but I'm paranoid about being sent back to the pound (I saw some pretty vicious gang-humpings on the inside). Nonetheless, if anyone thinks they can permanently muzzle this dog and his fellow writers because they bark truth to power, they'd better think again!

By Shep The Talking Dog
Recently retired police dog and citizen journalist, who has lived on Woodbine Avenue for the past 3 years, with his friend and his friend's latest hippie girlfriend

Besides being a political hack with the touch of death, Kinsella made his bones by penning a hack novel about a low-hanging group of "Neo-Nazis" ("The Heritage Front"). So it's not surprising that he falls into his old pattern, and not finding any Nazis under his bed, he called a witch hunt on us.

Kinsella started his war against this paper because I called him out for boning his partners at **Daisy Consulting Group** out of money he got off the Dalton McGuinty gang. In response, Kinsella put out the call for his community zombies to come together, used and spread "trigger words", attacked this paper and it's Editor-In-Chief with those lying words "HATE SPEECH", "NEO-NAZI",

Since **Your Ward News** went from a monthly to a quarterly format, I've been chomping at the stick to update you, my loyal pack, as to what the Marxist obedience cult of the left and in particular, what my little bitch Warren Kinsella has been doing. My first article for **Your Ward News** was a little piece about why I get no lefty love from Warren Kinsella. Since then Warren has gone into full psycho mode ... like a cat that sits in a puddle of turpentine.

Here is a satirical depiction of the Kool-Aid that traitor Richard Warman wants Canadian Gentiles to swallow. Sure, our outspoken Editor-In-Chief openly and shamelessly admires Adolf Hitler; and he refuses to accept what he considers a false Hollywood narrative of "six million Jews" dying in "homicidal gas chambers". But neither he nor anyone else at our paper is a "racist anti-Semite". OK, we're not very fond of cats, but what emotionally stable person is? And we would never gas the cats ... just send them all straight to the concentration pound!

Anyway, I consider Warman's "gas chamber" canard nothing but a racial slur against two and four-legged Germans. Regular readers of **Your Ward News** know that my Great-Great-Great-Great-Grandpa Fritz fought the Marxists in Hitler's Wehrmacht (he had a knack for sniffing out commie cowards hiding in the woods after they defaced Aryan monuments). The only "gas chamber" he ever experienced was being in a tent with a handler that had too much sauerkraut.

DR. SEARS KNOWS

"MISOGYNIST", "RACIST", "ANTI-whatever". He used the old Marxist tactic of guilt by association ... because our Editor is this, then the paper is that.

And it spread. The hoard of the left had their trigger words and off Kinsella's false narrative took.

Encouraged by union radicals, pandering left politicians looking to move money, and prudish middle-aged housewives from the pretentious "Beaches" community, delusional Kinsella carried on his campaign to shut down **Your Ward News**. Knowing his blatant lies about the paper itself would not stand up in a court of law, he went after Canada Post, our distribution source; his argument being that Canada Post should not be delivering such disgusting "hate speech" as was found in **Your Ward News**! (Never mind that his claims about this paper being a Nazi "hate" rag were just not true)

So now Kinsella's got his pack of ... err ... I mean "coalition" of citizen zombies and "anti-racism" activists (cat loving) nut jobs all worked up and writing Ottawa. Next, like the comic book superhero Kinsella seems to think he is, he calls in his "ANTI-RACIST SUPER-FRIENDS"!

First to crawl out from under a moss-covered rock was a man of impeccable credentials, who would pronounce sentence on us in a scathing article. He then published that article in a lefty hate rag that in the very same issue printed this...

"... not quite Holocaust level, but not far off. I'm a white British guy. A while back, while living in the UK, I was dating a woman from Bangalore. She revealed - after her face lit up when I dressed in a way that made me "look like a colonialist" (her words) - that her deepest fantasy was to be an Indian slave girl raped by an English imperialist. And then, living in the U.S. a few years later, I was dating a black woman. We got to talking about the kinks of exes. I told her about this one, and she revealed that her own fantasy was to be the slave on a 19th-century plantation, raped by her white owner."

That's right! Alongside ads from hookers, inside the annual marijuana edition of **Now Toronto**, the first professional "ANTI-RACIST SUPERHERO" to answer Kinsella's call was Bernie Farber, the former Chief Executive Officer of the Canadian Jewish Congress, and now Executive Director of the Mosaic Institute. Like Kinsella, Farber is another man who has his hand indirectly in your pocket and makes his living off being professionally offended.

· PAGE 6 ·

From his lofty perch of moral turpitude in the back pages (but before the hooker ads) Farber handed down his esteemed opinion that our paper was “a wacky rag that had slipped into being openly racist and sexist and may be violating Canada’s hate laws”????? Really, Bernie? I’ve chased a lot of sticks in my day folks, and if any of you are missing a couple, I think I know where they might be.

The next “ANTI-RACIST SUPERSTAR” to peddle his clown trike into this circus of the absurd was none other than Ottawa-based lawyer Richard Warman. Warman became famous in his own mind for having initiated a large number of complaints against groups and

individuals, alleging violations of Section 13(1) of the Canadian Human Rights Act. He has been identified as the primary complainant under this provision. Warman has won ten of the cases he has brought before the Canadian Human Rights Tribunal (CHRT) and brags that he was involved in stopping David Icke’s public presentations in Canada.

Warman plays executioner in this Cultural Marxist Witch Hunt against our paper, by launching a Canadian Human Rights Act complaint against Canada Post and the Government of Canada. The claim is that by delivering **Your Ward News**, Canada Post and the Government of Canada are regularly and knowingly delivering misogynistic, racist, anti-Jewish, anti-Muslim, homophobic hate propaganda into Toronto-area homes. He also claims Canada Post and the Government of Canada are regularly and knowingly exposing Canada Post workers to misogynistic, racist, anti-Jewish, anti-Muslim, homophobic hate propaganda in the workplace.

Never mind that our little satirical, alternative newspaper is none of those things, let’s not let

the truth get in the way of a good witch hunt here. This **THREE-HEADED SOCIAL JUSTICE MONSTER** is on a mission. The goal: To use the kangaroo court of the Human Rights Commission to force the government to allow the CUPW (Canadian Union of Postal Workers) and dick head cultural Marxists to act as censors over the mail somebody sends to your house! Stop and chew on that bone for a minute, dawg.

By the time these three clowns started doing interviews for the mainstream corporate media, they were referring to the satirical newspaper you are holding in your hand as a hate filled “Nazi pamphlet”. Speaking as if their lofty pronouncements condemning this newspaper

as hate speech were a given, they made the issue about the need to reign in Canada Post in order to control what can be mailed to or dropped into your mail box. If this newspaper were really hate speech (the police and multiple government lawyers have repeatedly ruled **IT IS NOT!**) then these clowns would be taking us to court, and not attacking Canada Post for delivering it! This “Human Rights” complaint is a straight up attempt at

Marxist control over Canada Post and what **YOU** are allowed to read!

To the political left in Canada, anybody who opposes their political philosophy is automatically branded and called a hateful racist and misogynist. And frankly, this accusation is an old dried up turd with no smell left to it.

To the “ANTI-RACIST THREE-HEADED SUPERSTAR MONSTER” of absurd left, this old talking dog has one thing to say. You’ve over-played your hand and this time **YOU ARE GOING TO LOSE!**

ACCEPTING “TRANSGENDERISM” AS REALITY MERELY PROMOTES MENTAL ILLNESS!

In the book *Mein Kampf*, Adolf Hitler warned his fellow Germans of a propaganda technique called “**The Big Lie**” ... a lie so “colossal” that no one would believe that someone “could have the impudence to distort the truth so infamously.” The ZioMarxist-controlled mainstream media specializes in “**The Big Lie**”, and uses it to push the “transsexual” agenda. But reality is determined by FACTS, not ideology! The fact is that one’s sex is determined by one’s genetics. Encouraging delusional “transsexuals” to act on their delusions is IMMORAL!

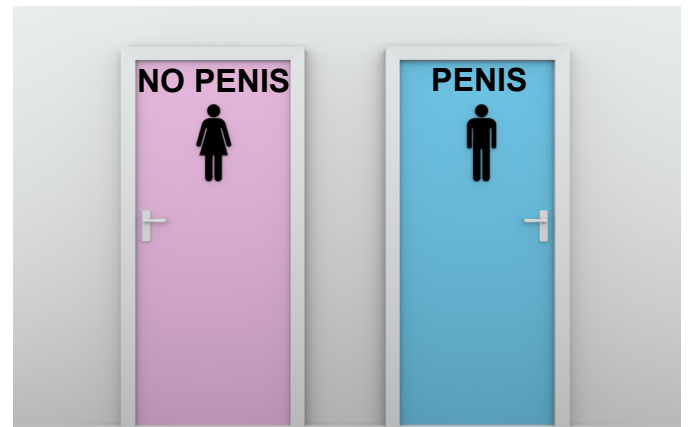

Jewel Shuping was fascinated by “blindness” since childhood, and would stare at the sun after learning it could make her “go blind”. By her teens her delusion led to her wearing dark glasses and walking with a cane. She convinced a “sympathetic” Psychologist (criminal quack) to pour drain cleaner into her eyes, **BLINDING HER FOR REAL!** Jewel suffers from “**Body Integrity Identity Disorder**”.

Bruce Jenner has been called “**very inspirational**” and “**a brave Olympian, transformed**” for succumbing to his delusion of being “**a woman trapped in a man’s body**”. So why is Jewel “mentally ill” and Bruce not? Half a century ago it would have been immoral for a layperson and malpractice for a physician, to encourage Bruce’s delusion, let alone facilitate the surgical and hormonal mutilation of a healthy body for it. But now the false narrative promoted by the ZioMarxist-controlled mainstream media makes normal people fear being labelled “transphobic” if they do not support the delusion.

University and London’s Portman Clinic, where 70-80% of children expressing “transgender” feelings **SPONTANEOUSLY LOST THEM OVER TIME!**

A 2011 Swedish 30-year cohort study of 324 “transsexuals” who had sex reassignment surgery, found they had very high psychiatric morbidity, with more than 20x the regular suicide rate! Instead of surgery “**improved psychiatric and somatic care**” was recommended. In a 1993 pharmacotherapy study, 2mg/day of antipsychotic drug Pimozide was prescribed to a cross-dressing man with a strong desire to undergo a sex change. Cross-dressing and the desire to mutilate his genitals both ceased. The dose was halved and “**gender dysphoria**” rapidly returned. The dose was restored and symptoms disappeared. The results of this study were buried.

The mass delusion has hit new levels, as “transgendered” people will compete in the 2016 Olympics **WITHOUT SURGERY**, i.e. “women” with male genitalia, going **HEAD-TO-HEAD** with **REAL WOMEN!** Let that sink in, proud diesel dykes: A delusional guy taking hormones will be competing against your “sisters”.

Dr. Paul McHugh, former Chief Psychiatrist at John’s Hopkins Hospital and author of 6 books and over 125 peer-reviewed medical articles, calls sex change “**biologically impossible**”. He says doctors who promote sex reassignment surgery are collaborating with and promoting “**a mental disorder that deserves understanding, treatment and prevention.**” He notes studies by Vanderbilt

Attention-seeking children as young as 12 who want to feel “unique” and appear “special” to their classmates, are going under the knife. The American College of Pediatrics issued this statement titled “**Gender Ideology Harms Children**”...

“(We) urge educators and legislators to reject all policies that condition children to accept as normal a life of chemical and surgical **IMPERSONATION OF THE OPPOSITE SEX.** Facts, not ideology, determine reality ... Human sexuality is an objective binary trait: “XX” and “XY” are genetic markers of health, not ... a disorder ... No one is born with a gender. Everyone is born with a biological sex.

DELIVERED BY CANADA POST TO 305,000 HOMES, BUSINESSES, AND APARTMENTS, WITH A READERSHIP OF OVER ONE MILLION.

Gender (an awareness of oneself as male or female) is a sociological and psychological concept; not an objective biological one ... A person's belief that he or she is something that they are not is, at best, a sign of confused thinking ... Puberty is not a disease and puberty-blocking hormones can be dangerous."

The American College of Pediatrics went one step further: "Conditioning children into believing a lifetime of chemical and surgical impersonation of the opposite sex is normal and healthful is **CHILD ABUSE.**"

Famous transsexual Riki Wilchins admits "transgenderism" is a conspiracy to destroy the family unit. He wrote a piece titled "We'll Win the Bathroom Battle When the Binary Burns" for "gay" publication **The Advocate**. He says the real goal is to obliterate "heterobinary structure" (the notion of male and female) and that arguing over male and female facilities proves we still have far to go--there should be **NO** gender distinctions! Wilchins points to an emerging sect of "Non-Binary" people who refuse to affiliate as any gender, preferring to be referred to as "they" or "hir" or "zer".

Stella Morabito, senior contributor to **The Federalist**, explains the insidious plan to destroy the family:

"What we are really talking about is the abolition of sex. And it is sex that the trans project is serving to abolish legally, under the guise of something called 'the gender binary.' Its endgame is a society in which everyone is legally de-sexed. No longer legally male or female. And once you basically redefine humanity as sexless you end up with a de-humanized society in which there can be no legal 'mother' or 'father' or

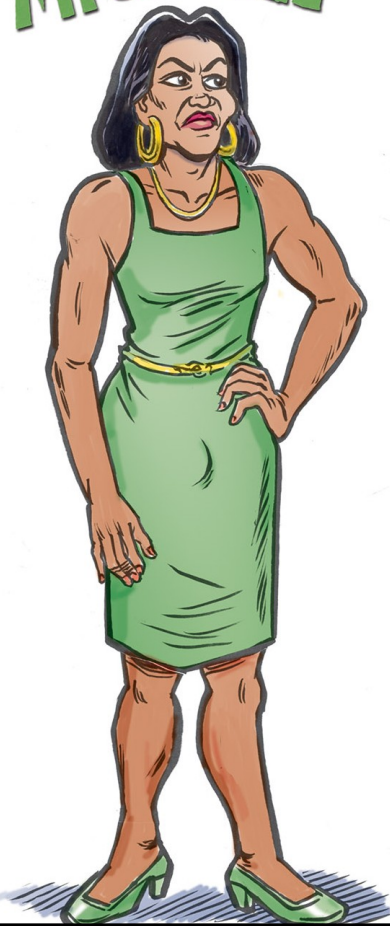

The media has called "Caitlyn" Jenner "Stunning", "So sexy it hurts", "Glamorous", and my personal favourite, "She looks like Rita Hayworth". Yah, the resemblance is striking! If I was stuck on Gilligan's Island with "Caitlyn" and "Rita", it would be like choosing between "The Professor" and "Ginger".

The delusional demands of "transsexuals" have overshadowed the real-life plight of "trans-species" persons like "Bigfoot", portrayed by wrestling legend "Andre The Giant" in the 70's TV series "The Six Million Dollar Man".

'son' or 'daughter' or 'husband' or 'wife' without permission from the State. Government documents are already erasing the terms. In such a society, the most intimate human relationships take a hit. The family ends up abolished."

"Sex distinctions are the germ of all human relationships. Abolishing them legally basically abolishes family autonomy. And this is an act of violence against children because it would serve at some point to separate them from their origins. Every child's first transcendental question is 'Where did I come from?' If the law will not allow the child to see his own origins and wholeness in the faces of a mother and a father, it destabilizes the child's sense of self. It creates personal dysfunction in children and basically ends up spreading more dysfunction and even dystopia in society."

As for Bruce Jenner, now he wants to go back to being a normal guy (the ZioMarxist-controlled mainstream media buried the story). Such stories are common. Please visit www.SexChangeRegret.com.

Agreeing with a mental patient that their delusion is real reinforces rather than treats the problem. Saying there is a "trans community" is like saying there is an "anorexic community" or "depressed community". If you encourage the formation of a community to help sufferers overcome their respective illnesses, OK. But indulging it as an "identity" only propagates the illness. **REAL** treatment exists. Transsexuality is a

DANGEROUS DELUSION. Allowing a transsexual to poison oneself with artificial hormones and mutilate oneself with surgery, when such a condition can be treated with psychotherapy and medication, is a crime against humanity!

BLACK LIVES LIES MATTER!

The “Black Lives Matter” movement is a psychological warfare operation being conducted by a “fifth column” of ZioMarxist operatives who are paid by Satanic Jewish billionaire George Soros. Its *modus operandi* is to convince angry, naïve Negroes that Caucasians are out to murder them, with the ultimate goal of starting a race war to distract us from Soros’ plundering of North America.

By Dr. James Sears,
Editor-In-Chief, Your Ward News

I attended Lawrence Heights Junior High School and Bathurst Heights Secondary School with kids from Lawrence Heights community housing; so I know a fair bit about Indo- and African-Canadian culture. My best friend was “Bhupinder”, a Sikh mocked for his name. I suggested he use a short form; unfortunately it was “Bhup”. I knew Jamaicans intimately and we got along well (yes, I understood **EVERYTHING** Rob Ford said during his infamous crack rant). I helped the Rastafarian boys with math. They taught me Jamaican lingo and customs ... like if two African girls are fighting, stand back at least 50 feet--they viciously attack innocent bystanders who make eye contact.

I eat African food and chat up Africans I encounter, from Caribbean to Ethiopian, so I am familiar with their cuisines and cultures. I eat great roasted goat at a

Somali joint near the Airport (they pray on mats and women eat in a separate room). Colette, Nicholas and I get VIP treatment as we are always the **ONLY** Europeans there. Unlike “Progressive Liberal” assholes living in “white” communities who pay lip service to diversity and only invite “white” people to their BBQ’s, I actually interact with “non-whites”.

On May 25, 2016, at 12:45 a.m., my knowledge of “diversity” was put to the test. I heard a loud crash in front of my Toronto Beaches home. I assumed it was raccoons getting into the garbage. At 1:00 a.m., I took my Shih Tzu “Mountain Bear” out before bed. We came face-to-face with 3 young Somali men who were looting my neighbour’s beer van after they smashed the window (he owns “**Triple Bogie Brewing & Golf Co.**”). How exciting! “Diverse” Africans were “enriching” my neighbourhood! It was possible they were Eritreans, who look similar to Somalis. So do Ethiopians, but most Ethiopians are Orthodox Christians like me, and rarely commit such crimes.

If I yelled, they would have run (I was not afraid, as Canadian Negroes rarely pull guns except if cornered like rats; unless they are Jamaican, in which case they shoot for sport). However, if I spooked them (pun unintentional) they would be long gone before the cops arrived. I played it real cool—I smiled and said “Good evening”. Thinking I was a dimwit, one exclaimed “**Oh my God, who smashed my van window?**” It was cute—invading parasites often think the host people are idiots, as only idiots would commit cultural suicide by letting them into their country. Then out of the corner of my eye I saw one Somali panic and bolt around the corner with a case of beer (not sure what a Muslim does with beer). I pretended I did not notice. Mountain Bear started growling, as is normal when dogs encounter running Negroes. I whispered “easy boy” and we slowly and calmly went inside.

While I was on the phone with 911, I saw them run around to the back alley and rummage through a neighbour’s convertible sports car (it was loosely covered with a tarp). One victim of natural selection wore a black shirt with big bright white lettering reading “Brooklyn” and a massive number “96”, making him easy to identify.

On February 9, 2016, “Black Lives Matter” co-founder **Yusra Khogali**, an East African living in Toronto, Tweeted the above death threat to “white” Torontonians. **SHE WAS NOT CHARGED!** If this homicidal Negress attacked a “white” cop and was shot, the ZioMarxist-controlled mainstream media would blame the cop. She is pictured in a T-shirt reading “**STOLEN FROM AFRICA**”. I suggest we do the right thing and **RETURN HER!**

They were wearing baseball caps backwards, meaning they also hold firearms sideways (it is a "street thing"). Unlike Jamaicans, Somalis rarely have pants falling down; theirs were secure.

Then they pawed at my car. I could not wait for the fuzz any longer. I yelled out my window "DON'T EVEN THINK IT!" The only time I had ever seen Africans run that fast was in those crazy "Black Friday sale" videos where they are trampling over one another to get to the high-tech running shoes. The police arrived minutes later with K9 units and a helicopter. Eeny, meeny, miny, moe, they caught the two guys that I saw, and Toronto's finest would not let them go! Luckily for them they were not back in Somalia—Sharia law would have resulted in left hand amputation!

Police Constable Wagner, a handsome Aryan stud, took my statement. According to police, the captured culprits began crying, and quickly ratted out the coward that ran away. My landlord found the coward's abandoned case of beer on Woodbine Avenue. He informed me that the men were armed, as if I was unaware. I responded "I figured. All mischievous Negroes have firearms. It helps them enrich our community." He suggested I not tell my wife Colette, so as not to upset her. Of course I told her ... it excited her!

Several neighbours accosted me the next day with "You're a hero", which is pathetic ... have men become so weak that merely staying calm under pressure is now "heroic"? Well, if Bruce Jenner is a "hero" for wearing a dress, then so am I! This gang of thugs had terrorized Toronto for months, so it was all over the morning news. Then the story just died.

You see, the police report with my name in it was likely released to the ZioMarxist-controlled mainstream media and they quickly buried the story, not wanting your lovable Hitler-loving Holofoax denier to garner any positive publicity.

I was writing "**BLACK LIES MATTER**" anyway—the above fiasco was merely a crazy coincidence. Even crazier: The Somalis were caught because I was **UP LATE THAT NIGHT** working on it! In the little space I have left, here are my brief thoughts: Firstly, if you respect yourself, use the term "**Negro**" or "**African-Canadian**". "Black" has negative connotations. White is good, black is evil. White is clean, black is dirty. Blacklisted, black heart, black mark, blackmail ... whitelisted, white knight, whitewashed.

Secondly, **ALL LIVES MATTER**. Police do not discriminate. If a Caucasian attacks them, they shoot too; and sometimes murder Caucasians, like Sammy Yatim. Thirdly, 95% of Africans do **NOT** support "**Black Lives Matter**". They are just as afraid of African thugs as are Caucasians. Most Africans feel our Police are doing a fine job under difficult circumstances.

Finally, "**Black Lives Matter**" is organized by groups funded by Satan's favourite billionaire Jew, George Soros. Protestors are paid **\$15 AN HOUR CASH** (if you are protesting without pay, you are being **RIPPED OFF**—demand cash from protest organizers). The purpose of "**Black Lives Matter**" is **NOT** to hold police accountable—instead it is to start a **RACE WAR** to keep us fighting one other while Globalist scumbags steal our money and corrupt our culture. **IT IS A BIG LIE!**

“ANGRY BIRDS” IS A SHOUT-OUT TO ADOLF HITLER!

“Angry Birds”, a cell phone video game created by Finnish company Rovio Entertainment, was just released as a film. Even though the Producer of the film is Jewish, the Finns (a race of virulent Hitler fanatics) maintained creative control. According to the world’s top right-wing web site, www.DailyStormer.com, unbeknownst to the producer the Finns slipped in pro-Nazi, anti-Semitic, anti-Muslim, anti-Immigrant, anti-American, anti-Zionist, racist content. You be the judge:

Legitimately grumpy Red Bird SLAPS Dr. Wingstein (attacks pro-immigrant Jewish traitor)

Muslim beard on pig (thing Muslims hate most) with boxes labelled “TNT” in background

Horny Muslim pig (tongue out) jumps hot local bird (Muslim sex attacks throughout Europe)

Sheriff Bird attacks own kind for making “guests uncomfortable” (Euro-cops cover up Muslim sex crimes)

Three main characters represent colours of German flag (even in correct order!)

Lazy, giant eagle who lives far away from the rest (USA) pisses into water (disrespects Europe)

In background, mime wearing beret says “Oh my God!” (Paris Zionist false flag terror attacks)

Red Bird mocked (SJW’s ridiculing others) after being falsely labelled “failed artist” (Adolf Hitler)

Green Pig (colour of Islam & Arab countries’ flags) lifts index finger (Islamic “Shahada” gesture)

Old, senile mother bird lets in ALL THE PIGS
(hag Angela Merkel's suicidal refugee policies)

Brainwashed SJW's paint faggy rainbows and ridicule
Red Bird for creating glorious Aryan eagle

Be happy, smile, never discuss controversial things
(ZioMarxist-controlled media & PC movement)

"Angry Birds" appears to be a **WARNING TO WESTERN COUNTRIES!** The birds lived in a happy, homogeneous bird society before evil, horny "migrant" pigs invaded and immediately began to run amok and ruin the birds' stable paradise. The pigs were allowed into the country by traitors. The film separates traitors into two categories: Those deserving punishment for knowingly implementing the destructive agenda ("Dr. Wingstein") and those who did so out of naïvety or stupidity (European law enforcement and government officials).

Like most Jewish producers, the producer of "Angry Birds" took a "hands off" approach and let the skilled goy animation team slave over their laptops to make him money. Since Hollywood is controlled by Jews, the creators of the film were forced to give him a handsome percentage in exchange for getting the film made and distributed by Columbia Pictures.

But in the end, the Finnish "Nazi" animators had the last laugh as they dined on the finest karjalanpiirakka and kahvi that Hollywood could buy. **Your Ward News** is impressed beyond what mere words can express. "Angry Birds" will go down as the greatest Hollywood trolling operation in history (trust us, "protocols" will be put in place to prevent repeats). We commend our Finnish comrades for founding "The Soldiers of Odin" to keep immigrant crime in check. And now for storming Hollywood, we say, **RAKEITA VOITTO!**

Expert Mortgage supports Your Ward News' right to free speech!

New program provides emergency mortgage loans to homeowners

As a pilot project, Expert Mortgage launched the "85-Alive" program in Ontario. The concept is simple: if you have a pulse, Expert Mortgage will provide you a home equity loan, up to 85 per cent of your property value. No job required. Bad credit OK.

The reason Expert Mortgage can offer "no questions asked" loans while the major banks could not, is they represent over 400 private lenders who lend strictly on property value. These lenders specialize in borrowers who had some bad luck, and need a helping hand until they get back on their feet.

The program has been so successful that Expert Mortgage can barely keep up with the volume of calls. To help this unexpectedly large number of borrowers, it partnered up with dozens more private lenders.

Licensed Mortgage Broker and CEO George Moutsouroufis, Expert Mortgage's "85-Alive" guru, says "We're seeing many homeowners behind on mortgages and property taxes. The banks refuse to restructure their loans. Many of these people lost jobs in the bad economy, or are self-employed. Unless you're a perfect applicant, the bank won't talk to you."

Not everyone condones Expert Mortgage's easy lending criteria. A local real estate agent with 25 years experience, who asked to remain anonymous, says "When this market turns down, it's going to get ugly! It's utter financial suicide for Expert Mortgage to be giving money away so easily to clients. I'd be surprised if they're still in business five years from now."

But homeowners like Anita P. don't see a problem with easy money. When questioned on how she plans to make payments on her "85-Alive" mortgage when she has no income, Anita responds "We were four months behind on our mortgage and they saved our house. My husband has been unemployed for nine months. He won't be unemployed forever. We used the "85-Alive" loan to pay off all our debts. We had \$25,000 left over that we put in the bank for emergencies. And to make life easy, they worked it out so we have no mortgage payments for 12 months."

OFF WITH THEIR HEADS!

This is the story of a French ruler and his lovely privileged wife; a young couple who were renowned for their good looks, charm and privilege. Critics would say of him that he inherited a country that had been in a state of debilitating stagnation and decline ever since the rule of his forefather. They also described him as "a perpetual adolescent called to do a man's job."

As a young woman, the lovely wife excelled as an entertainer. She had a sharp and impeccable fashion sense and was always praised and talked about when she entertained diplomats and foreign dignitaries.

If you were to guess **King Louis XV of France and his wife Marie Antoinette**, you would be half right because the above statements were true about them. But they are also true about Canada's Prime Minister Justin Trudeau and his wife Sophie Grégoire-Trudeau.

In March the Trudeau's made a state visit to the U.S. and basked in the spotlight of big American media with their new best

at how Michelle and Sophie appeared like "New Besties" as Michelle impressed Sophie with all the pizzazz the office of "The First Lady of The United States" could muster. So it's not surprising that when Sophie gets home, it becomes a big issue when on her behalf, Justin brings up the request for more staff for "Queen Sophie".

Sophie told a French-language newspaper that she wanted to do more, but struggled with just one staff member. She failed to mention the two Filipino nannies we already pay for! (See the Jan 2016 edition of **Your Ward News**) Remember that Sophie Grégoire Trudeau holds no office and has no official duties, and reportedly answers official correspondence

from her dining table. "I'd love to be everywhere but I can't," she told *Le Soleil*, adding "I have three children and a husband who is prime minister. I need help. I need a team to help me serve the people."

She said that she has received regular requests from charities to promote their causes, but she could not respond to all of without an extra hand. "It's hard to choose, because it's touching when people ask for your help. People really lay out their suffering in some of the letters I receive."

friends Michelle and Barack Obama. For the next couple of days (between lavish state dinners) the couples paired off, with Michelle and Sophie on an adventure of cute photo op's while the boys started two days of intensive meetings that quickly turned into a testosterone-filled "bromance". Obama has been pissed at Russia's Vladimir Putin, so you can just bet he ragged on about him while they were drinking and scarfing down take-out in The Oval Office.

Meanwhile even the press remarked

Metrosexual-In-Chief Justin Trudeau REFUSED Vladimir Putin's generous Christian offer of powerful Ilyushin Il-76 waterbombers to quickly put out the Fort McMurray fire. Insecure playboy Trudeau's stubborn desire not to appear weak to his political base (lonely, delusional, menopausal hags who fantasize that Justin's hose quenches the fire of their hot flashes) meant that a tiny Canadian fleet of low-capacity planes were left to battle the deadliest fire in our history! His criminal decision to ensure he did not appear weaker than Putin, led to massive but preventable murder of thousands of sentient beings who were BURNED ALIVE, ecosystem destruction on a scale never before seen, and TEN BILLION DOLLARS of property damage. If Canada still had a moral compass, "Just-Not-Ready Justin" would be forced to RESIGN!

Fuck the middle class, fuck the poor, fuck the veterans... Michelle needs a taxpayer-funded vacation!

Meanwhile in the beer halls where working men drink they grumble **“He should pay for his wife’s extravagances. He’s a rich man; why should the poor pay?”**

It also appears that **Queen Sophie** was not the only one to return home from the U.S. with a new attitude. Acting like a man on steroids, Justin returned to Parliament all revved up and overconfident. On May 1, 2016, a large forest fire had broken out in Alberta. By May 3rd it had gotten so large that it forced the evacuation of Fort McMurray, a small city of about 130,000 people.

Like a good neighbour, the first to offer help was Vladimir Putin of Russia. Like Canada, Russia has vast forest in its northern regions and generously offered specialized and seasoned help. A spokesman for Russia’s embassy in Ottawa, Kirill Kalinin, said that they continue to stand **“ready to help our Canadian partners to fight the ongoing wildfires**

in Alberta.” The offer involves sending converted Ilyushin Il-76 transport planes--the kind occasionally leased by the Canadian military--that can dump as much as 42 tons of fire retardant into fire spots!

For a week **King Justin** snubbed the offer of help by not replying at all. When he finally did address the offer, he

My taxpayer-funded personal assistant commissioned a fashion designer to make the shoes. It’s a perk of being First Lady.

Si le transsexuel noir peut avoir un dessinatrice de mode, alors si je peux!”

thanked the entire International Community that had offered help, for their concerns, but added **“There’s no need for international assistance.”**

As of May 22nd, the fire has swept through the community, destroying approximately 2,400 homes and buildings, and forcing the largest wildfire evacuation in Albertan history. It continues to spread across northern

Alberta, and into Saskatchewan, consuming forested areas and impacting Athabasca oil sands operations. It may very well become the costliest disaster in Canadian history!

The next performance of note in which our little Justin was trying to assert himself and look "Brave" was when he got pissed at "the game" and stormed into a knot of opposition MP's on the floor of the Parliament. In an attempt to escort a man that was being blocked, slowing the vote on a controversial Euthanasia bill, Trudeau violently elbowed NDP MP Ruth Ellen Brousseau in the boob.

Opposition Conservative Andrew Scheer said he was sitting across from Trudeau and it was clear that Trudeau "... was motivated by anger and lost his temper,". Brousseau, the perfect battered woman for the media, complained "I was elbowed in the chest by the prime minister and then I had to leave. It was very overwhelming ... I missed the vote because of this."

Of course, this fiasco really slowed Justin down, as he would now have to spend the rest of the day and most of the next "unreservedly" apologizing. Well fortunately for our young ruler, later in June he will get to leave the drudgery of Parliament and the concerns of the peasants behind for a few days.

That's when his "Bromance Barack" and President of Mexico Enrique Pena Nieto, come to Canada for the "Three Amigos summit" which takes place on June 29th.

The Amigos summit was a series of meetings started by globalists with the goal of forming a North American Union much along the lines of the failing European Union. Canada was supposed to host a Three Amigos summit last year, but the meeting did not materialize partly because then-Prime Minister Stephen Harper was at odds with Mexico over a visa requirement for Mexican visitors to Canada (but word is Justin offered to bend over and fix that).

So while the boys get together and drink tequila as they make plans to sell out their citizens to globalist interests, poor Queen Sophie is left at home. Like Antoinette, she has little influence over the matters of state her husband attends to. Well maybe she will get that extra publicly funded staff she needs to keep her feeling like she's somebody. They can all meet every afternoon for coffee ... and maybe, just maybe, she'll LET THEM EAT CAKE!

Greetings from the Sunshine Coast of BC! I was not familiar with your news outlet until I watched a tell-lie-vision report on you. As a child raised in a Polish/Jewish household whose great grandfather repeatedly stated (about his Auschwitz tattoo) "it was a work kamp" ... I feel for you. Some members of my family tried to eliminate me from our family tree, but ancestry.ca wouldn't allow them to. You see, I support the Palestinian peoples and their fighting for freedom from their Is-Ra-Helli "neighbours/invaders", and I dared write to Ernst Zundel while he was illegally held in a Toronto jail for the crime of having an open mind. I wrote him about Permaculture, of all things, after reading an article where he said growing food was hard work ... nothing political in that unless you read this interview with the man who invented Permaculture. Anyhow, keep up the great work! Your case reminds of Arthur Topham's of the radicalpress.com. And even though I do not have much money, I will donate and perhaps even subscribe if the budget allows. Freedom is not free, though it should be in a sane world.

Lance Roseman, Roberts Creek, BC

Many Jewish readers of our paper have told us they know the "Jewish Holocaust" was a blood libel hoax perpetrated against the German people. Some, like your family, are brainwashed. The only way for them to be deprogrammed is for awakened Jews like you to bombard them with the truth.

Dr. James Sears, Editor-In-Chief

I really like your mag but I can't get it here in Etobicoke. Can u help me? I will pay u, I will buy u lunch, whatever it takes, that's brother & God Jesus. Bless u, best!

I would love to receive this paper in Brampton. I have yet to download the spring issue; however, I do support the true natives of Canada from any part of this country. True Story: A Shaman ran a spiritual test and I positively have native running in my blood. Anyway, keep up the great work. Canada

and the world need to see these fraudulent government folk for who they really are. Fuck everyone, and fuck what they say about Free Speech "Restrictions". There are none! Keep on printing.

David Grima, Brampton

70% of letters from the last issue were from people outside our delivery area who read our paper online after seeing my CITY TV interview that went viral worldwide. It caused donations to pour in from all over Canada, USA and Europe. If you are not in our distribution area, you can buy a subscription, or read the paper online for free, or drop by our office for a free hard copy.

Dr. James Sears, Editor-In-Chief

Sir Sears, you ROCK! I am soooo grateful that you print what you do. We are living in a fucking Gestapo state and being lied to constantly from every angle. I asked Revenue Canada some questions back in 1999 and haven't submitted a tax return since then! Bless you, may God bless you all your days for spreading truth. Your paper is also very humorous and God knows I need that too, living in a supposed free country where sacred cows like the Holocaustic joke can't be openly discussed. You have balls, chutzpah and guts. Again thank you. My 74 year old, old school Italian mamma actually loves your paper too. She is especially fond of the vaccine article with several needles surrounding a crying baby as its graphic. Thanks for making me not feel like I am a lone voice in the forest (of deceit).

Anthony Di Pasquale, Toronto

I never thought I would ever see the word "chutzpah" adjacent to Holohoax denial. Well played! Please do not use the word "Gestapo" when expressing government abuse. Instead use "Soviet" or another term related to Marxists, who are also our present-day abusers.

Dr. James Sears, Editor-In-Chief

You like to say your critics have never read your paper. Lots of us have.

You are laughably no "doctor." And I imagine your "Métis owned and operated" dick to be about two inches long, hence your huge anger at the world. Likely Hitler's problem too (that, and being a failed artist). Same with your obese sidekick. Women know that men with small dicks tend to have anger and hatred issues. Poor you. We understand.

My Publisher Leroy St. Germaine is the Métis, not me. The government just declared Métis "Status Indians", so now YWN is "Aboriginal Owned and Operated". You are obsessed with small penises. It is just sour grapes because you wish you had one.

Marlene, it was disconcerting and upsetting to read your vaccine article in the online version of the spring 2016 issue of Your Ward News. I'm wondering why you didn't at the very least run it by me prior to having it posted? The publication is dominated by a disturbing and overt tone of racism, misogyny and sexism. It's shocking that you would assume it's okay to associate our organization with this rag, or that you think it would benefit our work. On the contrary, your article in this rag defames our society and our thoughtful and rational approach to vaccination. For a start, the title of your article is offensive. As well, you lift text and material from other articles without giving due credit or reference to sources. Without the prior approval of Vaccine Choice Canada, you've embedded our name in the graphic depicting a baby with syringes pointing at it. We are familiar with this graphic and would never use it to represent our work. You then conclude the article by promoting membership to VCC and provide our full address etc. making it appear that somehow we endorse your article which we do NOT! To put it bluntly, after our Board of Directors reviewed your article and the context within which it's published, there is no way we would ever agree to have our name associated with this publication. On behalf of the Board of Directors of Vaccine Choice Canada, we request that you remove ALL mention of Vaccine Choice Canada in your article and that you do this expeditiously and as soon as possible. If you choose to associate with this publication, that is your prerogative, but you do NOT have permission to use our name in any way whatsoever in any articles you write without prior approval. Please remove our name from the baby & syringes logo, and remove all reference to membership to VCC and our contact information at the end of your article. Please let us know when these changes have been made so that we can verify it online.

Edda West, President, Vaccine Choice

Marlene writes for me. I decide what is published. Your "society" received more publicity from that one article than it has in its entire existence. Your annoying whining tells me you do not have the stomach for the anti-vaccine fight. Your "thoughtful and rational approach to

vaccination" will not change hearts or minds ... unless you do not care about your effectiveness because your organization is a charity scam. You and your "Board of Directors" can SUCK MY COCK!

I have noticed an inaccuracy on the Spring 2016 cover of "You Ward News". You have visually equated yourself with our Lord, God, and Saviour, Jesus Christ hanging on the Holy Cross of our Salvation. From your lips emerge the word bubble, "Have faith Leroy. Jesus survived it and so will we!" I remind you that our Lord did not survive the tortures of the cross. He took on our flesh and died a horrible, painful death in complete humility, not for His own benefit, but for the salvation of all. Dmitri, remember now the words of St. Paul: "Be not deceived; God is not mocked: for whatever a man sows, that shall he also reap. For he that sows to his flesh shall of the flesh reap corruption; but he that sows to the Spirit shall of the Spirit reap life everlasting." You bring shame upon God's Holy Church. In Christ Jesus,

St. Paul corrupted Christ's message with Satanism like "Slaves be obedient to your human masters with fear and trembling". Whenever someone quotes that lying Jew I get suspicious and investigate them. I will not publish your email address, but it begins with "GreatNorthernP", which is also the "Gay Dating site" nickname for a "hairy" 55yo man seeking "Male Escorts, Gay Massage and Rentboys in Toronto ... with enough beefy muscle to assuage my fear that a bit of rough and tumble play might bruise their inner twink ... The sounds of a man completely lost in the uncontrollable grunting ecstasy of an orgasm as he fucks my ass are what I want to hear. The sounds I make while cumming are almost embarrassingly loud. Bring ear plugs." I confirmed your email account is associated with the site. The ad is YOU! St. Paul was a nasty Jew who loathed homos, LOL! You are so typical of self-righteous religious zealots who are compensating for their own secret lives of debauchery. From your religious knowledge, the context in which you view Jesus, and the "fire and brimstone" way you expressed your disdain toward me, I suspect you are a closeted Catholic Priest or Brother. At least you do not appear to be a pedophile.

THE 1st ANNUAL TORONTO OLD-FASHIONED ANTI-MARXIST BOOK BURNING

Bring the whole family out to help us fan the flames of Canadian political history, as we cleanse the body politic of commie filth.

The New Constitution Party of Canada is proud to present **The 1st Annual Toronto Old-Fashioned Anti-Marxist Book Burning**, featuring educational speeches by NCP members, live music courtesy of the Beaches Blues Festival, refreshments and food courtesy of Dr. James Sears, and of course, the burning of Marxist effigies and books.

Attendees are encouraged to bring Marxist books to be arraigned by Dr. James Sears. Any book he finds guilty of corrupting our body politic will be sentenced to the ash heap of history, and dropped into the fire pit.

We welcome all Marxist books: Marxist doctrine like the Communist Manifesto; cultural Marxist filth like Kathleen Wynne's pedophilic sex education curriculum; FemiMarxist garbage by authors like Margaret Atwood; EnviroMarxist Agenda 21 propaganda by scientific sellouts like David Suzuki, etc. We are open-minded and will terminate any parasitic prose, without prejudice.

ITINERARY: We will announce a detailed schedule of events and speakers soon. If you or your group would like to speak at our event, please contact Dr. James Sears at www.NCparty.ca.

PLEASE NOTE: No matter how tempting, we will not burn religious scripture or national flags. Our sharp focus will be on Marxist books.

ONE FINAL NOTE: Unlike the Marxists, we terminate books we disagree with--not the authors themselves.
